

IN-PLANT SERVICES

Solving workforce challenges
with premier talent

Paton has placed contract engineers, technical support and administrative staff with clients since 1984. Our skilled experts are responsive, flexible and blend seamlessly into your organization, operating as an extension of your team for both short and long-term projects. We provide complete support that covers site-specific safety training and on-site orientation, and we handle all human resources and accounting matters so you can focus on what's most important to you – getting the job done.
